Fall 2016 Seminar Series
Global Indigeneity and Sustainability
Presented by the College of Menominee Nation’s Sustainable Development Institute

The seminar series will promote opportunities for faculty, students, tribal and other surrounding communities to engage in this international exchange of knowledge about key concepts and intersections of Global Indigeneity and Sustainability. The series and discussions will be framed by and based around the SDI theoretical model of sustainability over the course of 14 weeks during the Fall Semester of 2016.

Where:
College of Menominee Nation
Cultural Learning Center
N172 STH 47/55
Keshena, WI
